

# World Donor Day

Together We Will Save Lives

June 14, 2011

10:00am-3:00pm  
Casas Adobe Plaza  
(Southwest corner of Ina & Oracle)

Did you know...

- 10 minutes of your time could save a life.
- 4 cotton swabs is all it takes.
- 76% of marrow donations are taken through a simple blood draw.

...Do you have 10 Minutes?

To celebrate World Donor Day and to honor the victims of the Tucson Tragedy, a marrow drive will be hosted at Casas Adobes Plaza. Each person who joins the Be The Match® National Marrow Registry will add a bead to Lizzie's personal Beads of Courage® strand. The goal is to stretch the strand across Oracle Road, to the location of the Tucson Tragedy, to continue to show the world that TUCSON CARES!

Be a part of this record-making event ~help generate awareness and registrants!

Registrants must be 18 - 60, and will receive special discounts and give-aways from participating Casas Adobes Plaza merchants.
